

Notification of product discontinue of dedicated MFR13 protection relays

The MFR13 protection relays have always been very important to Woodward. Due to the availability of components we are forced to start rationalizing this product line.

Woodward would like to offer the following “Last Time Buy” scenario:

- The Last Time Buy is scheduled for **30th September 2010**.
Woodward will accept orders until this date. We ask our customers to make preparations to apply the items listed in Section *Replacement Products*.
- We will conduct a **price increase** on the items listed under *Discontinued MFR13 Part Numbers* effective from **1st May 2010**. Effective from this date, the price for these devices will be fixed to **1625 EUR**.
- Woodward will ship items ordered before the LTB date **until 31st December 2010** based on the LTB volumes. After this date Woodward will stop the production.
- Woodward will provide repairs two (2) years after production stop, beginning from 31st December 2010.
- From 1st January 2013 Woodward will only provide repairs based on electronic component availability.

Discontinued Items:

Part Number	Description
LR20025	MFR1375M/RSu03UV

Replacement Items:

Part Number	Description
8444-1078	MFR300-75M/WK0500

Best regards
Woodward GmbH
