**SUBJECT: TG13 & TG17 Country of Manufacture**

**TO WHOM IT MAY CONCERN:**

As of June 2008 Woodward moved its TG13 and TG17 mechanical governor production lines to Woodward's Tianjin, China facility. The machining of product line components, the complete product assembly and the final product operational validation tests are now performed at Woodward's Facility located in Tianjin, China.

Regards,

**Rich Kamphaus**  
**Turbomachinery Controls Product Line Manager**
